Happiness At Work

The MYP process

1. Happiness at Work

Most people quit their jobs due to emotional reasons – bad relationships with their managers or colleagues. Another reason for unhappiness is the lack of Psychological Safety and the inability to be yourself.

Better and increased communication and connectivity among employees will result in a rise in overall job satisfaction, better health and wellbeing, and happiness across the board

This workshop focuses on finding sources for wellbeing and happiness

Objectives:

- Define the dynamics of energy
- Identify Smile Sources
- Establish a foundation to sustaining positive energy
- Describe the benefits of healthy laughter
- Learn how a simple smile can release endorphins
- Explore strategies for each of the areas of wellbeing that contributes to happiness
- Learn how to connect all levels of energy for a positive and healthy you
- Explore ways to create a positive and happy environment for your team
- Be surprised at how much selfishness can help create happiness for those around you

5. Your Trainer

Mona Abdulrahim-Santl Managing Director Mind Your Power LLC Trainer, Facilitator, Coach, Therapist Member of ATD, NGH, NFNLP, AUNLP <u>mona@mindyourpower.org</u> +971 56 3554982

With an extensive training and knowledge in communication skills and customer service, Emotional Intelligence and NLP, Mona has successfully conducted numerous trainings at a wide variety of large and small organizations around the world. She has a keen sense to identify the factors that hinder the positive development of groups and individuals alike, whether intra- or interpersonal, and does so with creative techniques, along with a contagious passion, compassion, diplomacy and motivation. All of these have led to significant positive changes to the groups and individuals she has trained and coached.

With a background in natural Psychology, Mona has always believed in the power of the mind and the ability of utilizing that power to unfold the full potential.

She holds certifications in Hypnotherapy as Instructor, NLP as Instructor, Train the Trainer, DISC, Workplace Big 5, ISI Influencing Styles, CSI Change Style Indicator, FIRO-b and FIRO Business, ACTEE, Kinesiology, EFT, Pranic Healing, Emotional Intelligence, Pain Management, Transactional Analysis and Hypno-Coaching, amongst others.

She is the founder of the international program "Hypno-Parenting" and has worked with International Schools, training parents, and also academic staff in the art of effective communication.

Coming from an Arabic-European background, having lived in several countries and continents, and being fluent in 4 languages, Mona epitomizes the flexibility and understanding needed to adapt her training style to cultural, unique and individual needs.

Mona appears regularly in TV interviews, and has inspired audiences speaking at industry events in Boston, Las Vegas, Zurich, Berlin and London, and corporate events in the UAE, Bahrain and Lebanon.

She has worked with below organizations, independently as well as in association with major consultancies:
